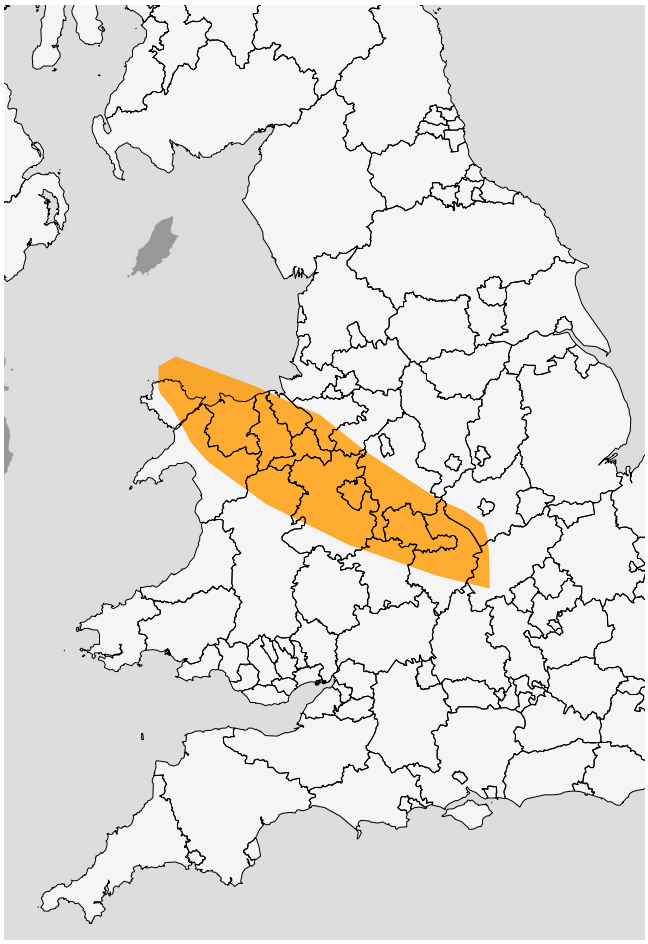
Amber warning
Rain

Between
16:48 Sun 27 May 2018 and
21:00 Sun 27 May 2018



Thunderstorms will continue across parts of the Midlands and into north Wales through the rest of Sunday afternoon and into the evening

What to expect

- Flooding of homes and businesses is likely and could happen quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- Spray and sudden flooding probably leading to difficult driving conditions and some road closures as well as some delays or cancellations to train and bus services.
- Power cuts likely to occur and other services to some homes and businesses could be lost

Further details

Thunderstorms bringing torrential rain, frequent lightning and some hail have developed across the Midlands and north Wales and will continue to affect these areas through the rest of Sunday afternoon. These may run across highly urbanised areas with 30 mm in an hour in some places and perhaps 60-80 mm in 3 hours.

The thunderstorms are expected to ease through Sunday evening.

Medium likelihood of medium impacts
